Some things to keep in mind

Paid parking at this facility costs approximately \$3 for the duration of time you will be here. Each visit is approximately 30 minutes. Please purchase an hour of parking.

If your dentist has made a radiographic guide (stent) for you to be scanned with, please make sure it fits properly and remember to bring it with you.

These scans are not covered by OHIP. Canaray provides a form for you to submit to your dental insurance. Fees are due at the time of imaging.
